WARRINGTON

good to know

Guests choose penta Warrington precisely because they don't want more of the same. They want to dive into a real experience, find the difference. Great. So do we. Just 20 minutes away from Manchester, and the same from Liverpool, penta equals a triangle of incredible possibilities. But although it's in a commanding location for all that northwest England offers, this 103-bedroom concept has an attraction all off its own. It begins with our unique pentalounge, designed by the superbly skilled Italian architect Matteo Thun to be a restaurant, bar, meeting spot and chill-out area all in one. From this point on, the relaxation only increases.
