# READING

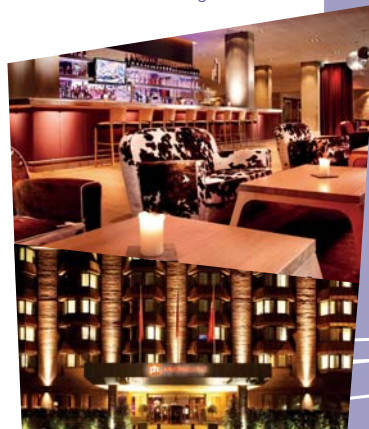

**PENTAFEELING** – MORE OF THE STUFF YOU LOVE,  
LESS OF THE STUFF YOU DON'T. SIMPLE. STYLISH.  
ALMOST TOO GOOD TO LEAVE.  
SIMPLY PENTAHOTELS.

Reading is a town with rich history and exciting modernity. It is conveniently located where the River Thames and the River Kennet join and is a meeting point for fresh ideas from academic thinkers and economic visionaries. A university town and major commercial centre, this inspirational town only lacked one thing: the lifestyle-focused hospitality of a pentahotel.

**Stylish and comfy**  
Your home away from home.

**Smart people – smart prices**  
Great service and great value.

WELCOME

**PENTALOUNGE** – DELICIOUS FOOD,  
FABULOUS DRINKS, AND  
A FUN ATMOSPHERE  
YOU MAY NEVER  
WANT TO LEAVE.  
SIMPLY PENTAHOTELS.

**penta LOUNGE**  
With a cool cocktail bar.

**penta FOOD FASHION**  
Looks beautiful, tastes wonderful.

This is the heart and soul of pentahotel. The pentalounge is five things rolled into one: a welcoming reception area, a cool bar, a delicious restaurant, lobby and a relaxing place to chill out. The perfect place to eat, meet for drinks, watch a match on the sky sports channels, relax, play pool, or simply hang out in the pentalounge with a really good book.
