## **The Antarctic Institute of Beer**

Excellent beer full of flavour, surprisingly sessionable, fruity and balanced. We like it ice cold!

## **Shelly, a nice girl we met**

Ok this IPA will get you lit. Love the taste. It is definitely my current favourite.

## **Bob, a guy who hates beer**

I hate beer but the can looked so cool that I forced myself to buy it. Tastes good for beer.

## LIMITED EDITION UNLIMITED TASTE

**Big fruity flavours. Pine tree aroma.**

Leave civilisation behind and take a walk on the wild side. Brewed in Berlin by our mates at Motel Beer, designed in the UK by the illustrious Illwookie. Hops from Slovenia and the US. Quite the international mix — that's how we like it at Penta. Cheers to that.
