# WHAT'S PENTA?

We started life in 1971 with a single vision: to combine style, substance and comfort to create a hotel like no other. Fifty years later, we now have over 20 hotels under the Penta brand across Europe and Asia. Our spaces are more than a place to rest your head, they are an expression and celebration of the neighbourhoods they belong to. They offer contemporary explorers and business travellers a home away from home. At the heart of every location sits the Pentalounge - a bar, cafe and reception hybrid - a living room and a welcome to all.

**Penta: Welcoming neighbours and explorers since 1971.**
