

# THE PLACE TO BE.

## PENTAHOTEL BERLIN KÖPENICK

Pentahotel in Berlin Köpenick is full of contradictions, in the best kind of way. The ultra modern 190-room complex overlooks the River Dahme and its surroundings which are steeped in medieval history. Submerge yourself in antiquity by strolling along the river, into the old town and onto the enchanting Köpenick Castle. Or, flip the switch completely and head into contemporary Berlin, with its galleries, bars and restaurants it's only a short subway ride away.

# WHAT'S PENTA?

We started life in 1971 with a single vision: to combine style, substance and comfort to create a hotel like no other. Fifty years later, we now have over 20 hotels under the Penta brand across Europe and Asia. Our spaces are more than a place to rest your head, they are an expression and celebration of the neighbourhoods they belong to. They offer contemporary explorers and business travellers a home away from home. At the heart of every location sits the Pentalounge - a bar, cafe and reception hybrid - a living room and a welcome to all.

**Penta: Welcoming neighbours and explorers since 1971.**
