

PENTAHOTEL

BIRMINGHAM

good to know

If you wanted more of the same, you wouldn't choose pentahotel Birmingham. Your thing is to dive beneath the surface, find the difference. Great. We understand each other. We're not even a mile from the city centre, but the penta experience is a million miles from the usual. This seven-storey, 131-bedroom concept in the heart of Birmingham starts for the guest with our unique pentalounge. It's been designed by the superbly skilled Italian architect Matteo Thun to be a restaurant, bar, meeting spot and chill-out area all in one. From this point on, the relaxation only increases.
